

**SCAMBLER TOWNSHIP REQUEST FOR
CLASS-5 AGGREGATE PROPOSAL**

Scambler Township is issuing a Request for Proposals for class-5 aggregate base gravel.. The gravel must meet MnDOT standard specifications and must be delivered to road sites in the township as directed by township personnel. Material with higher percentages of 200 (over 6%) may be given preference over standard class-5. Please attach sieve analysis with all proposals.

Note: Some loads of gravel may be randomly sampled or samples may be taken from gravel pile for an independent sieve analysis and randomly selected to be scaled at a nearby certified scale to ensure quality and quantity of gravel being applied to town roads. Scambler Township will not be responsible for any time lost while this sampling occurs.

To obtain a copy of the proposal form, you can go online at the Scambler Township website, or call the Clerk, Lou Ann Zurn at 218-863-1342. All proposals must be in writing and may either be mailed to Lou Ann Zurn, Scambler Township Clerk, 18799 State Hwy 34, Pelican Rapids, MN 56572, or brought to the Scambler Township Board meeting by 7:00PM, Thursday, April 13th, 2017, when all proposals will be opened.

Lou Ann Zurn ,Scambler Township Clerk
